5            H      Yes..

6            E      And the man, may God reward him with goodness, he loves

20           ninety-four and become upset, that I want the Foundation or  
21           the such..I do not want anything to do with a Foundation or  
22           the such..just tell him that there is a scrutiny regarding
